Party called to report his LIC to operate lost somewhere between e. Boston and Winthrop. Caller seemed off and a bit argumentative and then became abusive. Party was advised to come to the station if he wished to make a report. Party stated he didn't want to come to the station and wanted this on the record so that he is not accused of anything as he was in the past. Caller became rude regarding salaries etc. I ended the call after advising party to come to the station as I had no idea who was actually calling making the lost report.
