c/p states that 6-8 older teenagers purposely trying to hit
balls over the fence and one hit his house. States that this
is an ongoing issues. Also wanted it noted that the gate
itself is not well maintained and that the kids can walk
right in even though it is "locked". C/p stated that he
yelled at the kids to leave and they did this time but again
this is an ongoing issue. At this time he is NOT requesting
a police response and just wanted it noted. I explained to
him that in the future if the kids are there to call the
police first to have them speak to the kids. I logged the
call to his address but no Officer was dispatched at this
time per the request of the c/p
