cp states about 15 mins ago, a bald black male attempted to deliver some furniture to this address from a large moving truck. cp states he did not order any furniture and was advised not to allow the male into his home. cp states the same male came and attempted to deliver furniture last week as well. cp does not remember the name of the company that was on the truck. cp advised this incident will be logged and it the male returns to call us when he is there instead of after he's left as we can have an officer speak to the male. cp did state there is possibly a mix up with his address and just wanted this logged.
