Female party came in to report that on Tuesday March 8th at
3:00 p.m. she went to work at the PARC @ Harbor View and was
re-assigned from the 1st floor to the 2nd floor because the

other employee complained that it was too difficult. She refused the new assignment because she felt it was unfair so they told her to clock out and go home. She stated she was than removed from the schedule for the next two weeks and now has a meeting with the Exectitive Director [REDACTED] on Monday. She feels this may be discrimination. She was informed that this is more of a civil matter but it would be put on file. She was informed that she could take the matter up with Human Resources or MCAD should the meeting on Monday not resolve these issues. Female left satisfied with our assistance at this time.
