A man called the station inquiring about an accident that
occured on 08/21/2022(22WIN-135-AC). The caller was very
upset becuase he thought he was being blamed for the
accident and wanted to know who was accusing him. While the
incident was being investigated the man hung up the call and
called back to dispatch and began yelling becuase he wanted
answers. Upon further investigation the man had a similar
name and car matching a note left on the vehicle in the
accident. The caller was contacted again and made aware that
he was not being blamed or named as the party in the
accident. He approved of that outcome.
