Party walked into the police station inquiring about her vehicle that she believes was parked in front of [REDACTED] Read Street. Officers responded to a disturbance at this residence earlier in the night (see call #56944). This party was transported MGH due to her level of intoxication. Officers involved did an area search for her vehicle and Beverly checked her residence yielding negative results. She was provided a taxi voucher back to her residence. It should be noted, the other involved female party from earlier stated she never showed up to her home with that vehicle.

A male party entered the station to report that his driver side, rear view mirror, had been removed from his vehicle between the hours of 2200 October 15, 2022, and 0800 on October 16, 2022. He believes that his neighbor must have removed the mirror because his neighbor does not like when people park in front of the house. The male party could not find the mirror near the location of the vehicle but had a dime size piece of plastic he thinks is a clip from the mirror. He stated he thought there was a chance that it had been broken off while moving his boat the previos day, but feels more confident his neighbor did it.
