Female party contacted the police department to advise that she received a call from the US Marshals and US Customs Service asking if she ever lived in Mexico or Columbia as they had a package with her name on it from a raid they did and the package was alleged to have \$60,000.00 and fake ID's in it. The caller then asked the RP if she had savings accounts in different banks. The RP was advised this was a FAKE call and not to provide any information. The phone number the call came from was 617-748-2500, which is actually the phone number for the US Marshal's Service. The US Marshal's Service was made aware of the call and they were already aware of similiar incidents.
