Modified By: **Dutra, Cristiano**

Rp was delivering for Instacart and parked on her customers property at 25 North Ave to make her delivery. The customer did not have an issue with the parking. A neighbor out of 15 North Ave exited his home and began to argue with the female caller and her boyfriends and followed them to the back of the home while she made her deliveries. Upon returning to her vehicle the neighbor again followed them and attempted to become combative with the rps boyfriend. The neighbor also took pictures of both the rps and their vehicle.

Rp would not wish to speak to an officer at this time and was advised if at any time she would like to file a report to come into the WPD or call to have an officer meet her. Rp was also advised to contact her employer Instacart about the incident.

Attached party runs a cleaning service, and reports that the  
owner of the attached Lowell Rd. property was not happy with  
the job she did cleaning her house. RP is concerned because  
the homeowner not only acted in a way that was unreasonable  
(screaming and yelling), but has also threatened to post  
negative reviews onm social media to damage her reputation.  
RP would like this noted for the purposes of obtaining a  
harassment prevention order should said behavior continue.
