Calling party reports a white male wearing all black clothing and operating a white SUV with tinted windows has on several occasions parked across from her driveway, got out of the vehicle and stares at her bedroom window as if he is trying to see through the blinds. She lifted the blinds and stared back at him on the last encounter. She will call immediately should he return again. Until then more frequent patrols will be performed in the way of directed patrols. Today it occurred during daylight hours but it has happened several times between the evening hours of 2000 and 2200 hours.
