Party came into police headquarters to report that she is  
being harassed by a neighbor who was taking pictures of her  
while she was in public. This is one of the parties involved  
in the verbal altercation reported earlier (SEE call #  
2451139). RP was adamant that we force the other party  
(unknown at this time) to delete the pictures she had taken.  
It was explained to RP that there is nothing unlawful about  
taking a picture of someone in a public setting. RP was not  
satisfied with our response.

Narrative: **Gergerian, Sarko**  
Party was told that the situation she shared would be noted  
in a dispatch log entry. She was happy with the matter as it  
currently stands being logged in the system as such. She  
will file a log - incident request form if she needs the  
notation. She was advised.
